Suzanne Lees-Smith

Child
safeguarding
officer

I have been working full time at the church for around 28 years now, involved in the youth and children's work of the Parish. As 'a child safeguarding officer' in the church, I look to ensure the work that we do with children is safe, that all our leaders are knowledgeable about any risks and how best to support the children in our care.

We have a policy from Guildford Diocese, which gives clear and detailed guidelines for looking after children and vulnerable adults as well as recruiting and informing volunteers ready to be involved in this inspiring work.

Personally, I have two boys of my own who help to keep me on my toes.

Alison Ingram

Vulnerable Adult
and Child
Safeguarding
Officer.

My name is Alison Ingram, I am married to Paul and we have two children, now grown up, Rebecca and Chris.. We have lived in Pyrford and been attending COGS for over 20 years.

My background is in nursing and I am currently working as a Practice Nurse at a local GP Practice.

I completed my Pastoral Assistant training in 2014.

I am the church's safeguarding officer for vulnerable adults.

Anne

My name is Anne and I live in New Haw with my two daughters. We also have quite a menagerie including a cat, two rabbits, several fish and the latest addition of two baby tortoises.

I have been attending COGS for the past 20 years. I started helping in the creche when my elder daughter was a baby and although she has since grown up and moved on, I still find myself there on Sunday mornings playing with the toys! (and helping with the children...)

Along with my part time job working for an airline, I also take care of the administration for a local dance school.
